Sri B. BASAVALINGAPPA.—Landless labourer means a labourer who does not possess any land. Sri Hegde complained that persons who are owning 2 guntas of land are considered to be the land owners and they are not given sites. Therefore, we have modified the Government Order including such persons who own less that 4 acres of land.

Sri B. B. SAYANAK.—My question is not answered. He simply says there is a printing mistake. I want to know which is the correct answer ?

Sri B. BASAVALINGAPPA.—The figure 8351 on page 14 is a mistake and the figure 8,769 is correct.

Sri M. S. KRISHNAN.—May I know on what basis you say that figure 8351 is wrong and the figure 8769 is correct ; Both these figures have come from the Department of your own.

Sri B. BASAVALINGAPPA.—It depends upon the question and when it is received. This figure is received after some time.

Sri M.S. KRISHNAN.—The information is that the other figure is not correct. The information has been provided by the Department up to 31-12-1972. If the information comes from different Departments I can understand. The date fixed for both is the same. When that is the position, how can it be different figures ?

Sri B. BASAVALINGAPPA.—According to information available in my file, what is provided on page 16 is correct.

MADAM SPEAKER.—Now Question Hour is over.
